POT-N-PAN

HAND DISH DETERGENT

Product Properties

COLOR: Clear Colorless
ODOR: Odorless
pH: 9.3
SPECIFIC GRAVITY: 1.03
SOLUBILITY IN WATER: Complete
RINSABILITY: Complete
FOAMING: High
DETERGENCY: Excellent

Description

This effective concentrated economy hand dish detergent produces rich suds that quickly cut through food soils. Using special suspending agents, it keeps grease and soils from redepositing on dishes.

Features...Benefits

Contains biodegradable ingredients
No persistent bioaccumulative or toxic chemicals
No Phosphates
No ozone depleting compounds
No volatile organic compounds(VOC's)
No SARA 313 reportable ingredients
Contains safer ingredients, lowering the risk to children and adults from hazards like cancer, neurotoxic and developmental effects.

Directions

Use 1 ounce of concentrate per 1 - 2 gallons of warm water. Soak baked-on or dried and encrusted items to allow penetrating action to lift soil and grease.

Safety Information

KEEP OUT OF REACH OF CHILDREN

CAUTION. CAUSES EYE IRRITATION. In case of contact with eyes, flush with running water for 15 minutes. If irritation persists, consult a physician. If skin irritation occurs, flush skin with cool water and apply a mild hand lotion. If taken internally, do not induce vomiting. Seek prompt medical attention.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Intercon Chemical Company has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Intercon Chemical Company, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Intercon Chemical Company non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
