

Alcohol Free Foaming Hand Sanitizer with Moisturizers

Features:

- Helps Eliminate Bacteria
- Mild, Gentle & Moisturizing Formula
- Made with .10% Benzalkonium Chloride
- No Added Dye

Description

Clearly Better Alcohol Free Foaming Hand Sanitizer is made with .10% benzalkonium chloride and offers a liquid foaming formula that is dispensed as a foam when used with our Clearly Better foaming dispensers. Our mild and gentle formula is built with moisturizers to keep hands feeling soft, while helping eliminate bacteria.

Safety Information

For external use only. When using this product, avoid contact with eyes. In case of eye contact, flush eyes with water. Stop use and ask a doctor if irritation or redness develops, or if condition persists for more than 72 hours. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
